

WELCOME!

Welcome to the Ray Cammack Shows Carnival Midway! We hope you enjoy your day with us!

The purpose of the Safe Ride Rules and Attraction Guidelines is to assist all of our patrons in finding the rides or attractions that best suit them. As there are many types of thrills at the carnival, there are many types of interests and abilities that our patrons enjoy. Parents, you know your children best. Please evaluate the rides your child wants to ride and be sure they understand and are able to follow the rules to enjoy the action of the ride. It is important for their safety that they obey the rules of the rides they have selected. **Parents and/or supervising companions if your children are too afraid, please wait until next year. Please select rides for them that are within their capabilities and have them observe the action of the ride before they board.**

Parents, if you are not riding with your child and the ride rules/guidelines call for a supervising companion for your child, be sure the person you select is capable of supervising your child at all times. They must explain the rules to your child, and follow the ride rules themselves. **This person must be at least 14 years of age and meet the height requirement of the ride. All riders, including Supervising Companions, are required to have Fun Pass or Unlimited Ride Wristband to ride.**

ADA guidelines are available at any RCS Guest Service.

Please do not ride our rides if you are impaired by alcohol, drugs, or any other substance.

GENERAL GUIDELINES

General provisions are health-related and ergonomic advisories relate to virtually every ride and attraction. Rather than itemize them individually for each ride they are set forth generally below:

- Please observe all signs and comply with operator instructions. Please review the height restrictions and ride rules so you can comply. Some attractions do not allow open toe shoes. Some rides do not allow single riders.
- Observe the speed, height and motion of each ride or attraction. Do not participate unless you have the ability to ride safely.
- Food, Drinks and Smoking are not allowed on the rides as well as sharp or pointed objects.
- Please secure Cell Phones, Keys, Hats, Glasses and all loose items. You may be held liable for loss or injury to any bystanders from flying objects you fail to secure. We are not responsible for lost or stolen articles.
- You know the state of your health best. Be personally responsible for not participating in any activity that could harm your health including a heart condition or high blood pressure; neck, back or bone disorder; nerve disorder, seizure, dizziness or motion sickness; recent surgery, illness or restrictive medication; or any other ailment which amusement ride or attraction participation may aggravate.
- Pregnant women are advised not to participate on rides.
- We do not recommend any child under the age of two participate on any of our rides. Some additional rides may have other age requirements.
- Observe and use all passenger restraint devices including holding on. Please wait for operators to open or close lap bars or passenger restraints. If you physically cannot be comfortably restrained or hold on, advise

the ride operator and disembark from the ride. Due to the design of some restraints certain body proportions may not be able to participate on those rides.

- Secure all fun passes and Unlimited Ride Wristbands as there are no refunds or exchanges. All riders must have fun pass or wristband to ride.
- Be cautious upon entering and exiting rides and attractions. You may be light headed or encounter a surface you don't remember.
- Ask for assistance if ever you need it. A Guest Services booth is available to serve you, as are knowledgeable carnival employees.

INDIVIDUAL RCS SAFE RIDE RULES AND ATTRACTIONS REQUIREMENTS

This brochure outlines the safe rider requirements of each individual ride and attraction on an RCS Midway. Categories are general. Each ride/attraction has specific qualifications and rules.

32" CATEGORY

Tractors – Riders must be at least 32" to ride. Riders must sit upright. Riders ride alone and entry into the ride requires negotiating elevated steps. Children only.

Speed – Riders must be at least 56" and no taller than 75" to ride. This is a high, speed thrill ride where riders will experience 3.5 G's. Ride stands 120 feet tall. Riders must sit upright and be restrained by shoulder harness. Riders must ascend/descend entry and exit steps.

CONCESSIONS (FOOD AND GAMES) AND MIDWAY GUIDELINES

All concessions on the RCS midway have either accessible counters or supplemental counters with clipboards for transactions. Employees are trained to anticipate the needs of patrons, especially those with obvious limitations. They will not hesitate to come out from behind the counter to serve you. If there is something that you need, feel free to ask. Please come to the counter, and an employee will come out to take your order and serve you. Please see ADA Accessible Guidelines.

Please report any safety concerns you observe or are told about to our Guest Services Booth immediately so they can be addressed quickly. We appreciate your help in keeping our carnival safe and fun.

FAST PASS PROGRAM

For your convenience we have now equipped all our RCS Rides with a "Fast Pass Lane" (indicated by black and white checkered flooring and signs). 25% of all ride seats will be dedicated to the Fast Pass customers. Grab yours today at any ticket booth. (Every rider must have their own pass. Every Fast Pass lanyard MUST also have a wristband attached to that rider.)

Fast Pass requires a Funpass or Unlimited ride Wristband purchase.

We invite you to visit us online at RCSFUN.com or on:

#rccsfun

Should you have any questions or comments please advise us and we will be happy to assist you.

We thank you for visiting Ray Cammack Shows, Inc.
