## Pima County Fairgrounds

### 2025 4-H, FFA and Open Campground Policies

**WE RESERVE THE RIGHT TO REFUSE SERVICE TO ANYONE  
NO REFUNDS  
RV PARK RULES ARE SUBJECT TO CHANGE**

As a courtesy to 4-H/FFA and Open Division families, the Pima County Fair is pleased to provide the campgrounds as a low-cost lodging alternative to late-night travel to and from home or to costlier motels. It is also a privilege to camp at the Fair. Any individual or family violating these rules may be expelled from the campground for the 2025 Fair and/or future Pima County Fairs. These rules will be enforced by the Southwestern Fair Commission (SWFC), its agents, and employees. The rules apply to parents, exhibitors, and 4-H/FFA & Open members. Camp spaces are for Open Division and 4-H, FFA members and their families.

#### General Policies

1. **Campground Electricity:** The campground is equipped with 50-amp service. It is your responsibility to provide the correct connection for your electricity. 50-amp adapters for trailers are available for purchase at the Fairgrounds RV Office. For more information and pricing, please call the RV Office at (520) 762-8579.
2. **Exhibitor Requirements:** Exhibitors must have a parent or legal guardian in residence at the camp space overnight. All exhibitors must be at their camp space by midnight, without exception.
3. **Curfew:** 4-H/FFA and Open Division members must observe a curfew of midnight. Noise curfew in the campgrounds is 10:00 p.m.
4. **Camping Areas:** Camping must be in designated areas only, using recognized camping facilities such as motorhomes, camp trailers, etc. Camp spaces in the main lot are for RVs only, while tent camping is available in the designated tent area located east of the dry lot. All excess equipment must be stored within the RV unit. Portable dog pens (up to 5ft by 5ft) are allowed with pre-approval from the camp host.
5. **Vehicles:** Only one vehicle is permitted per RV site. Additional vehicles are limited to one and must park in designated overflow areas, subject to space availability. Vehicles blocking other sites or not parked in overflow areas will be towed at the owner's expense. Please discuss parking arrangements with your camp host upon check-in.
6. **Access:** Access to certain areas of the property may be restricted based on needs of The Pima County Fair.
7. **Hoses and Connections:** All RVs are required to have an "O" Ring for sewer connections and water hoses that do not leak. Sewer hoses must be connected to a donut or sewer hose connector. Direct placement of sewer hoses into our sewers is prohibited as it causes blockages and emits toxic gases. Proper connectors are available for purchase at the RV Office. Water hoses must be in good condition and free of leaks. All guests must comply with federal and state laws regarding backflow prevention. According to Arizona Administrative Code rule R18-4-215, all residential, commercial, and industrial customers must maintain backflow prevention assemblies. Charges will apply if the yellow backflow preventers located on the RV site are removed.
8. **Electric Cords:** Electric cords must be in safe condition and adaptable to SWFC outlets. Hard wiring is prohibited.
9. **Electricity Liability:** SWFC is not liable for fluctuations in electricity or damage caused by power surges.

10. **SWFC Staff:** Staff are not permitted to work on personal property and are only liable for items owned by the fairgrounds.
11. **Personal Items:** All personal items, including but not limited to chairs, tables, dog pens, fencing, and hoses, must be kept within your designated RV space. Do not encroach on other campsites or roadways, even if they are unoccupied. The use of outside clotheslines, tarps, or canopies is prohibited.
12. **Supervision of Spaces:** RV spaces cannot be left unsupervised for over 24 hours. We are not a storage facility and do not store vehicles, RVs, campers, or trailers.
13. **Quiet Time and Event Noise:** Quiet hours are from **10:00 p.m. to 6:00 a.m.** The use of diesel generators is prohibited during the hours of **12:00 am to 6:00 am.** However, please be aware that the Pima County Fair may include amplified music or sound that extends beyond quiet hours.

Personal alcohol **MAY NOT** be brought onto or consumed on the Fairgrounds, including the campground areas and the barns. The use, possession, or display of firearms is strictly prohibited on the Fairgrounds and within the campground area. Additionally, fireworks, including sparklers and other explosive devices, are not allowed on the Fairgrounds or in the campground area. **Open fires, such as hibachis, barbecue grills, and other open flame containers, are prohibited.** However, self-contained gas (propane) fire pits may be permitted with prior approval from the RV Host.

Pets cannot be left unsupervised outside or tied up to any structures. Guests are responsible for cleaning up after their pets and must ensure that their pets do not disturb other guests. Pets exhibiting excessive barking or aggressive behavior may be asked to leave the Fairgrounds without a refund. Portable dog pens (up to 5ft by 5ft) are allowed with pre-approval from the camp host.
