

## **2025 Pima County Fair Hall of Fame**

In recognition of countless hours of service and selfless dedication, the following individual has been recognized as a recipient of the Pima County Fair Hall of Fame Award.

### **PAM SKOMSKI**

Pam was born in Yuma but has lived in Tucson for nearly 50 years. Her early years were spent raising their three kids and doing childcare, mostly with babies and those with special needs. Her involvement with 4-H began in the mid-80s when their kids got involved with the lamb and swine projects. By the mid-90s, Pam was the community leader for Desert Livestock 4-H that had 140 members. Currently, she is the welding leader for the NW Outriders 4-H Club. There was family involvement with her husband, Paul, doing such jobs as making the “cutout photo boards” for the Fair. She was asked to be the Barn Manager in 2002 and continues in that capacity. As such, she is the liaison between the Southwestern Fair Commission and the groups using the barn and surrounding facilities. There is a lot to do in overseeing this part of the Fair and Pam has done an outstanding job of keeping everything and everybody organized. The part that she enjoys the most is working with the kids.
