

2026 Pima County Fair Hall of Fame

In recognition of countless hours of service and selfless dedication, the following individual has been recognized as a recipient of the Pima County Fair Hall of Fame Award.

LAURA LEVIN

In 1983, Laura Levin enrolled in the Tanque Verde Community 4-H Club dog project. Her project areas soon expanded to include rabbit, photography, poultry, pigeon, swine, and beef, among others. In 2005, after her mother, Jan Levin, started the Littletown Ranchers 4-H Club, Laura became the community club leader two years later, a role she held until 2016. Laura was elected to the Pima County Junior Livestock Sales Committee in 2008. She served as secretary and vice-president before being elected president in 2017, a position she still holds. She has been an outstanding leader for that organization, highlighted by her role in organizing online auctions during the COVID years of 2020 and 2021. After each Fair, she can often be heard asking, “What can we do to make the sale better?” Laura is the owner and operator of Factor48 Online Auctions. She also volunteers on the Tucson Rodeo Committee, helping 4-H youth sell programs. Her hobbies include creating art from stained and fused glass, photography, and hiking whenever she can find the time.
