

2011 Pima County Fair Hall of Fame

In recognition of countless hours of service and selfless dedication, the following individuals have been recognized as recipients of the Pima County Fair Hall of Fame Award.

CHARLENE & GUY LEAVITT

Art Frazier's World Fair Shows provided midway entertainment at the Pima County Fair as early as 1967. In 1980, Ray Cammack purchased the carnival but continued to operate under the Frazier name through 1982 when they changed the name to Ray Cammack Shows (and later RCS). The Pima County Fair was their very first fair. Owned and operated by Charlene (Ray Cammack's daughter) and Guy Leavitt, RCS headquarters is in Laveen, Arizona. In addition to playing at the Arizona State Fair, they also provide the entertainment at some of the Southwest's largest fairs including the Houston Livestock Show and Rodeo, the Los Angeles and Orange County Fairs, and the San Diego Co. Fair. RCS is the premiere carnival in the western United States. Operated with the involvement of many family members, their assistance in promoting, scheduling, and providing funds for facility improvements has helped make our Fair a success.
